The printed docket was adopted after a cordial welcome by the host pastor, Rev. J. M. Smith.

Rev. T. K. Woody, pastor of the Calypso Baptist Church, was introduced to the Presbytery and invited to sit as a visiting brother. Rev. H. R. McFadyen, of Orange Presbytery, was introduced by Rev. P. L. Clark and brought

a brief personal message stating that he began his ministry in Wilmington Presbytery and is now retired after 46 years in the ministry.

The following communications were presented by the Stated Clerk for action or reference: A request from Rev. W. C. Bennett for a transfer to Granville Presbytery was granted. A letter from Rev. H. R. McFadyen concerning the proposed Home for the Aged was referred to the Stewardship Committee. A letter from Rev. R. H. Stone concerning the William Black Home in Montreat was referred to the Stewardship Committee. A certificate of transfer for Rev. O. M. Whitener of St. Johns Presbytery was referred to the Chairman of the Committee on Examinations.

The following Standing Committees were appointed:

1. Resolution of Thanks—Rev. R. H. Poole, Chairman, Ruling Elders J. C. Corbett and W. G. Prevatte.

The report of the Permanent Committee on Stewardship was presented by the Chairman Rev. W. B. Hood. The report, together with its supplementary report and all recommendations, was adopted, the recommendations being taken up separately and thoroughly discussed.

Upon motion the Treasurer was authorized to work out, with the advice and counsel of the Stewardship Committee, a method of equalizing the distribution of undesignated funds.

In connection with the report of the Stewardship Committee Mr. T. D. Love, a Deacon of the First Church Wilmington, brought a very helpful message on the subject of Stewardship.

## THE REPORT OF THE STEWARDSHIP COMMITTEE TO PRESBYTERY

Mr. Moderator: The Stewardship Committee begs leave to submit the following annual report to Presbytery:

First, the total gifts to all denominational benevolences, including all special offerings and all local benevolences for the past four years are as follows:

| | | | |
|---|---|---|---|
| 1944-45 | $ 79,047 | —a per capita giving of | $ 8.60 |
| 1945-46 | 87,879 | —a per capita giving of | 9.03 |
| 1946-47 | 103,454 | —a per capita giving of | 10.28 |
| 1947-48 | 105,481 | —a per capita giving of | 10.34 |

These figures indicate a year-by-year increase, both in total gifts and in per capita gifts, that is most gratifying. If, however, we compare our per capita gifts with those of the Assembly or Synod, we do not make an encouraging showing. The per capita gifts of the Assembly in the year 1947-48 are $12.46. Those of the Synod are $14.46. Thus, as you see, the people in our Presbytery lag far behind both the Assembly and the Synod in their giving to benevolences.

If we were to compare our increased giving with the increase of our incomes for this same period of time, we believe the comparison would indicate that we have not increased our gifts to benevolences as our incomes have increased. In other words, our people are not obeying the injunction to "lay by in store according as the Lord hath prospered them."

Of the total amount contributed by the churches of the Presbytery to all benevolences, in the year 1947-48, which was $105,481, less than $60,000 was for undesignated benevolences. The remainder was made up of special offerings for designated causes. This has worked a great hardship on the causes that do not receive special offerings. Some causes greatly exceeded the amount allocated to them in the budget, while other causes, equally worthy, received less than two-thirds of the amount allocated to them.

For the fiscal church year 1948-49 we accepted total askings for benevolences of $95,000; Assembly causes—$43,225; Synod Causes—$28,975; Presbytery's Causes—$22,800. This represents a per capita asking of $9.315.

For the year 1949-50, we have askings of $98,427 for Assembly and Synod causes. This represents an increase over the amount accepted by our Presbytery for the fiscal year of $26,227. If we accept this asking and add to it the asking of our Presbytery's causes on the same basis as that of last year, our total asking for the new church year would be $121,227, a per capita asking of $11.88.

If we were to accept this full asking and give the total amount asked of it, we would still lag behind in our per capita gifts as compared with the Assembly and the Synod. It is our judgment, however, that this increase is too great to be attempted in one year.

In order that you may have before you the total picture of our stewardship, we have listed on pages following the name of every

church in the Presbytery, and by the name we have placed three columns of figures. The figure in the left hand column represents what the church would give on the basis of a per capita of $10.00. The figure in the middle column represents what the church actually gave to all benevolences in the year 1947-48. The figure in the right hand column represents the amount we recommend as the asking of that church for the year 1949-50.

## RECOMMENDATIONS

We recommend:

1. That Presbytery accept a ten per cent increase in the askings of Assembly and Synod Causes, which amounts to $7,220.00. This increase added to the askings accepted for the fiscal year brings the total asking for 1949-50 up to $102,220.00.

2. That we adopt a revised schedule for the distribution of benevolences, as follows: Assembly Causes—40%, Synod Causes—28%, Presbytery Causes—32%.

3. That three new causes be placed in the budget, namely, Montreat, The Home for the Aged, William Black Home.

4. That benevolences be divided among the various causes in accordance with the following principle:

### ASSEMBLY CAUSES 40%—$40,888.00

| | | |
|---|---|---|
| Foreign Missions | 20.5% | $20,955.10 |
| Assembly's Home Missions | 6.0 | 6,133.20 |
| Christian Educ. and Min. Relief | 5.0 | 5,111.00 |

| | | |
|---|---|---|
| Rel. Educ. and Publications | 1.5 | 1,533.30 |
| Assembly's Training School | 1.5 | 1,533.30 |
| Bible Cause | .5 | 511.10 |
| Defense Service Department | .5 | 511.10 |
| Negro Work | 2.0 | 2,044.40 |
| Overseas Church Relief | 1.0 | 1,022.20 |
| Christian Relations | .3 | 306.66 |
| Evangelism | .3 | 306.66 |
| Radio Committee | .5 | 511.10 |
| Montreat | .4 | 408.88 |

SYNOD CAUSES 28%—$28,621.60

| | | |
|---|---|---|
| Synod's Home Missions | 8.0% | 8,177.60 |
| Educational Institutions | 9.5 | 9,710.90 |
| Union Theological Seminary | 1.5 | 1,533.30 |
| Orphan's Home | 5.0 | 5,111.00 |
| Religious Education | 2.0 | 2,044.40 |
| Work in State Institutions | 1.0 | 1,022.20 |
| Home for the Aged | .5 | 511.10 |
| William Black Home | .5 | 511.10 |

PRESBYTERY'S CAUSES 32%—$32,488.00

| | | |
|---|---|---|
| Presbytery's Home Missions | 25.0% | 25,333.00 |
| Presbytery Administration | 7.5 | 7,155.00 |
| Totals | 100.0% | $102,220.00 |

5. That the annual salary of the Executive Secretary of Presbytery be increased from $4,000.00 per year to $5,000.00 per year, and that the Advisory Committee for this office be requested to determine the source from which this increase shall come.

6. That March 6, 1949, be designated as Every Member Canvass Day, and that the Canvass not be considered complete until every member has either made a pledge or has refused to make a pledge, after having the claims of the church presented to him in person by a representative of the church.

7. In the light of information received and recommendations made by the General Assembly's Committee on Stewardship relative to "Pastors' Salaries" it is recommended that this Presbytery appoint an Ad Interim Committee composed of laymen to study the salaries of its ministers; and to determine whether salaries are being increased in proper ratio to the cost of living and the increased ability of the supporting congregations to provide adequate salaries.

8. Our final recommendation is that every pastor be sincerely urged to be more diligent in the teaching of Stewardship of Possessions throughout the coming year, making the emphasis second only to Evangelism. To this end we urge every pastor to call a joint-meeting of the Elders and Deacons in every church that he serves and lay before them their stewardship record in comparison with those of the Assembly and Synod.

## SUPPLEMENTARY REPORT AND RECOMMENDATION

The General Assembly of 1948 found it necessary to increase the per capita tax from ten cents per member per year to fourteen cents per member per year. This increase goes into effect April 1, 1949. This increase will raise the assessment levied upon our Presbytery to $1,427.72. The assessment levied by the Synod remains the same, which is $407.92.

The increase by the Assembly makes it necessary for Presbytery to do one of two things: decrease its operating cost or increase the per capita tax.

The operating cost of Presbytery is as follows:

| | |
|---|---|
| Printing and Mailing Minutes of Presbytery | $ 404.00 |
| Printing and Mailing the "Wilmington Presbyterian" | 342.00 |
| Salary of Temporary Clerk | 100.00 |
| Office Expenses of Stated Clerk (secretarial help, postage, etc. | 200.00 |
| Stewardship Promotion | 50.00 |
| Total | $1,096.00 |
| Total for Assembly, Synod and Presbytery | $2,931.64 |

The total income on the present basis of twenty-five cents per member would be $2,549.50, if every church paid this tax in full. On the present basis, therefore, we face a deficit in 1949-50 of not less than $382.14.

In addition to the above items, Presbytery, at the Spring Meeting of 1948, authorized the payment of traveling expenses of Committee members who attended the meetings of their Committees. No provision was made at the time for these payments.

In view of these facts, and also of the fact that from time to time Presbytery desires to have special speakers come to us from out of the Presbytery, your committee recommends that we increase the per capita tax to thirty-five cents per member, effective April 1, 1949.

Respectfully submitted,

WILLIAM B. HOOD, Chairman

## SUPPLEMENTARY RECOMMENDATION

Your Stewardship takes full cognizance of the fact that the Educational Institutions of our church receive inadequate support from our Presbytery. The budget which we are submitting today asks for only $9,710.90 to be pro-rated among the seven Institutions of our church. Your Committee deplores this fact.

At our meeting two measures were discussed that may effect some economy in the administration of these institutions and at the same time commend them more favorably to our people. A committee of the Stewardship Committee was appointed to give further study to these measures and to bring to Presbytery a sup-

plementary recommendation that will cover them. This committee submits the following recommendation:

1. That Presbytery request the Trustees of Peace College, Flora Macdonald College, and Presbyterian Junior College to give serious consideration to the possibility of effecting such coordination of administration in these institutions as will reduce the cost of administration, afford the exchange of teachers among the three institutions, and make available the facilities of all three institutions to the students in any one of them.

It is our opinion that such coordination would have a popular appeal to students who seek a broader course of instruction than is available in any one of the institutions. It would, also, enable the administration to present its needs to the public in a more comprehensive appeal and one that would appeal to the people of our churches.

Respectfully submitted,

REV. A. K. DUDLEY
MRS. WALTER P. SPRUNT
REV. L. A. TAYLOR

A memorial to the Rev. Eugene H. Clark was read by Mr. A. L. Cavanaugh, of Warsaw, and was adopted as follows:

### REV. EUGENE H. CLARKE

**December 1st, 1906—September 27th, 1948**

A consecrated Christian, thoroughly indoctrinated in his work as a minister of the gospel and as pastor of his people, and as a friend to mankind is a picture in simplicity of the late Rev. Eugene H. Clarke. Gene, as he was lovingly called, was a natural leader. He loved people and people loved him. He was endowed with the ability to use beautiful language, which made his sermons and talks forceful and most impressive. He never tired doing for others. His greatest joy came from serving and his services were to all denominations, all creeds and all races. He knew no distinction and he knew no stranger. Such is a simple portrait of Eugene H. Clarke, who served the Warsaw and Bowden Churches in this Wilmington Presbytery for a short three years.

A brief history of his life reveals that he was born December 1st, 1906, in Greensboro, N. C., son of the late E. L. Clarke and Mary A. Clarke who survives him. He graduated from Davidson College in 1930 and from the Union Theological Seminary in 1933, in the same year he was married to Miss Ruth Abbott of Greensboro. His first pastorate was in Orange Presbytery. He made his home in Reidsville, N. C., while he served four country churches from 1933 to 1941. He made such a deep impression on his people there, that after eight years dozens of loving tributes were sent from his friends in Reidsville and Orange Presbytery. In 1941 he felt called to his country's services as a Chaplain. His natural traits of unselfishness and love for his fellow man made him a most desirable man for this work. In 1942 he went overseas to the Pacific Theatre of Operations attached as Chaplain to the G.I. Station Hospital. In his work there, he was untiring, working continuously for not only

those that were spiritually sick, but for those that were wounded or physically ill. It was while there that he contracted a vascular disease of the feet. This was caused by exposure and overwork. His greatest joy came from serving his "Buddies" and he didn't know when he became tired. His "Buddies" knew him and loved him. Tribute after tribute have come to the family from these "Buddies" manifesting their love of Gene and sorrow in his passing.

This disease that he contracted in the Pacific Islands began to slow him and it got from bad to worse. He was placed in hospital after hospital, finally returning to the United States for another medical round. July 5th, 1945, he was relieved from active duty on account of this incurable disease.

In November, 1945, he was called to the Warsaw and Bowden Churches in Wilmington Presbytery, where he served until his passing on September 27th, 1948. During these three years he did a work that will live and never die. His loving generous spirit endeared everyone to him. One of the biggest single things that he did, that measures his greatness, was the building of a manse, without one single bit of criticism or trouble. Under his leadership and guidance this manse was built and paid for. The Church was growing and all activities connected with it. God was causing His face to shine down on us. His servant, though afflicted and suffering great pain, preached Christ and Him Crucified. His greatest joy came from filling his pulpit, and many times he did so against the advice of his doctor. His love for God and Jesus Christ was a beautiful love, a love that spread sunshine everywhere he went. There seemed to radiate from him a graciousness that all those who came in touch with him felt that he was near a Holy Man of God. Truly a Great Man has passed to his Eternal Reward.

The Moderator appointed the following Ad Interim Committee to study this matter: Dr. William Crowe, Jr., Chairman; Rev. W. B. Hood, Rev. B. F. Brown, Ruling Elder R. C. Platt.

Rev. N. P. Farrior presented the report of the Permanent Committee on Sabbath and Family Religion, which with its recommendation was adopted as follows:

There seems to be no change in the tendency away from the historical regard for the Sabbath Day in our Church. Even people

from the country churches go into town for the movies at night. Our young people are growing up with apparently no conviction of any impropriety in going to the movies instead of going to church on Sunday night. The shock that we who are older felt when Sunday night movies entered the Sabbath Day to compete with worship services was spent on us. It came before our young people were forming their convictions of right and wrong. Sunday movies have never been a problem for them: they have been a matter of course.

The same can be said of other Sunday sports and entertainments, and also of business. It appears that not many country stores close on Sunday, unless it is just for a short time; and it appears that some of these stores are run by church people, and have church people for customers on Sunday.

The Sabbath is still observed by some in the historic manner, or at least by refraining from work and commercial sports. Positively they observe the Sabbath by attending public worship. Reports of church attendance, especially the morning service, are for the most part heartening.

Family religion seems not to find its expression in the old form of family worship by reading the Scriptures and praying together to any large extent, though some families still do observe this form of family worship.

How far the practice of listening to daily devotional programs on the radio extends is not known, and how far they may be effective is not to be measured.

Many things have come into family life and into the home that make the old fashioned family worship more difficult. The employment of mothers, as well as other members of the family, outside the home; various favorite radio programs at all times of the day, etc., causes a preoccupation with other things that provide the excuse of little time for devotions.

Perhaps the changing emphasis from personal values to social values in Christianity that has been prevalent in late years may be to some extent a reason for neglecting the family altar. Service, rather than piety, has been emphasized.

There are many ways of keeping the religious atmosphere of a home fresh and wholesome: family worship, individual private devotions, teaching the catechism to children, the use of Christian literature of all kinds, and frequent and natural conversations about religious subjects and Christian activities.

The Committee recommends that each minister, at least one time during the coming year, preach a sermon on the Sabbath and Family Religion; or one sermon on the Sabbath, showing its historic origin and purpose and its unchanging values, and one sermon on Family Religion, showing its importance and recommending means for its cultivation.

REV. N. P. FARRIOR, Chairman

The report of the Permanent Committee on Foreign Missions was presented by Rev. J. G. Morrison, Chairman, and with its recommendations was adopted as follows:

## REPORT OF FOREIGN MISSION COMMITTEE

The first year of our Program of Progress has brought to the Foreign Mission enterprise a new hope and a new expectation. It has called the Church to a definite plan of action and has given her a new sense of direction. In 1948 we have seen the most fruitful year spiritually that our Church has known. A total of 8,007 members were added to churches on our mission fields. Hospitals are resuming their work of mercy, churches are open again, and our missionaries are given cause to rejoice in what they have been able to accomplish in the year that has just come to a close.

During 1947-48 forty new missionaries were sent to the various fields, and twenty-four others have sailed since April 1, 1948, which brings our overseas force to 365 missionaries. This is the largest net increase that we have had in any single year during the last quarter of a century.

No phase of our Foreign Mission work is more encouraging than the great offering of life on the part of our young people. This number has now increased to 4,000 on our candidate correspondence list. In this group we find a range of those from high school students, to men and women in our Seminaries and Training School who are practically ready to begin their life work.

During the past year approximately $1,000,000 of the $4,000,000 fund for Foreign Missions was raised. Wilmington Presbytery contributed $26,285.00 towards this $1,000,000. This represented a $10,000 increase over the previous year. The $1,000,000 already contributed has worked wonders, but the $3,000,000 still needed calls us to renewed prayer and effort.

As we review our work in Africa we rejoice that there were 4,648 additions on profession of faith last year. One of the most encouraging features of our evangelistic work is the development of native preachers of great spiritual power. The year has also brought about many new developments in our educational program in the Congo. One of these new ventures in education that we should be proud of in Wilmington Presbytery is the dental program of Dr. Sandy Marks. In his work he hopes to train a sizeable group of natives to minister to the dental needs of their people. The vast scope of our educational program in Africa may be seen in the fact that 43,000 students were enrolled in our mission schools during the year.

In Brazil and Mexico our work is at the peak of its strength. The fact is that the growth of the Church in these two countries is outrunning the capacity of our mission institutions to produce the essential leaders. So the enlargement of our schools and Bible institutes has become a matter of first concern. In Mexico, the event of the year for our Church, was the celebration in November of the Diamond Jubilee of the Presbyterian Church in Mexico, and the establishment of their own General Assembly. This significant gathering was attended by representatives of other church bodies

from any parts of the world, and gave visible evidence to the results that have been achieved in Mexico during the seventy-five years of our missionary service. It is estimated that as many as 3,000 attended some of the popular services in the evenings.

In the Far East we are witnessing many changes. In some areas we are seeing conspicuous progress while in others the dark clouds of war hang over our work. In Japan we have eight missionaries at the present and a number of schools and colleges have been reopened. The Golden Castle Woman's College of Nagoya reports an enrollment of 3,000 students, which is the largest in its history.

In China the latest reports describe the situation for our missionaries as "less tense." One mission official has written that "it looks as if the government will soon step down as gracefully as possible and we will have a new government, that will include some members of the old party." He also adds that "everybody is hoping for a change-over that will come through negotiation rather than by violence." So what the future holds for our mission work in China is still a big question mark.

In Korea we have twenty-nine missionaries at work in our different stations. Many churches, long closed by war, are now open and their work is flourishing. One hospital is already running and plans are being made to open several others at an early date. Despite the political confusion in Korea our missionaries feel that the outlook for the Christian Church in that country is extremely encouraging. So let us thank God that the doors are standing open to the entrance of the Gospel in so many parts of the world.

Your committee makes the following recommendations:

1. That each church observe January 30-February 6, 1949, as the Week of Prayer and Self-Denial for Foreign Missions, and that all our ministers be urged to preach fervently on missions, and the whole Church be called to earnest prayer and effort for this work.
2. That each church renew its effort to raise its assigned share of the $3,000,000 yet to be contributed through the Program of Progress to missions.
3. That all church organizations be urged to make the largest possible use of the mission study book, "China—Twilight or Dawn?" by Dr. Frank W. Price.
4. Pending the adoption of this report we request that Presbytery be lead in prayer, asking God's divine blessing upon this cause, by Rev. N. P. Farrior.

J. G. MORRISON, Chairman
Foreign Mission Committee

Rev. C. D. L. Mosser presented a verbal report on the plans for the Church Loyalty Campaign as Chairman of the Special Committee in charge of this campaign. It appears that about half of the churches are participating in this campaign. The report was received as information.

Dr. W. C. Mebane, Chairman of Presbytery's Committee on the Program of Progress, presented his committee's report, which was adopted as follows:

Presbytery's committeee on the Program of Progress held a meeting in October of this year. The full committee has 15 members, most of whom were present. The discussion was lead by Dr. Bruce Boney, who discussed plans and tactics for promoting the work in the individual church. The members of the committee were most enthusiastic and discussed the problems of re-vitalizing the church with great interest. We all felt that the best work could be accomplished by pushing the Stewardship and Evangelistic phases to the utmost, and as far as possible to work through and with Presbytery's standing committee on Evangelism and Stewardship. At this meeting, it was apparent that the women of the church were 100% behind the all-out effort now being made. We planned to appoint district chairmen along the lines of the organization used by the Women of the Church. This would tend to create a better liaison between the individual church and the chairman of the committee. As usual, the men are not nearly so enthusiastic about the program, although it is primarily a men's movement. We all agreed that the committee should lend every effort toward establishing an active group in the church responsible for promoting the program, and keeping its goal constantly before the people. Most of you here are familiar with these goals, for those of you who are not, let me summarize them in brief:

First and foremost is Evangelism. A 15% increase in church membership each year for five years which will double the church in five years. An 80% attendance at church and Sunday School. Three new chapels in each Presbytery.

Secondly, Stewardship of time and means. The total financial goal is $8,000,000; $4,000,000 to rebuild the war torn foreign mission facilities; $1,500,000 for Home Missions, and lesser sums for other Assembly causes. Each church was given its due proportion in order that this sum might be raised. Every elder should know what his church's financial goal is. Each officer at this meeting should feel responsible for his church's part in this effort and should go home to make certain that his church is organized to attain its goal. For any of you who are not familiar with this data you can get it from the October, 1948, issue of the Wilmington Presbyterian or directly from me.

During the first nine months of this fiscal year, Mr. Taylor has received to date $10,000.00 creditable to the Program of Progress fund. The following amounts were received:

| | |
|---|---|
| First Church, Wilmington | $2,219.11 |
| Mt. Olive | 408.65 |
| Pearsall Memorial | 857.05 |
| Jacksonville | 88.00 |
| St. Andrews-Covenant | 4,669.12 |
| Baker | 225.00 |
| Winter Park | 750.00 |

The above seven churches are making regular contributions to the Program of Progress and will in all probability contribute the

amounts asked of them for the five-year period. In addition, there are churches that stress the special offerings each season and will probably meet in full their askings. Among them are the following: Pollocksville, Woodburn, Acme, Black River, Rockfish, Whiteville First Church, Westminister, Wallace, Beth Car, Bethany, Graves Memorial, Elizabethtown Willard. Received this year:

| | |
|---|---|
| Pollocksville | $ 83.40 |
| Woodburn | 47.00 |
| Chinquapin | 26.00 |
| Black River | 81.96 |
| Grove | 15.00 |
| Oak Plains | 15.00 |
| Webb Memorial | 26.45 |
| Calypso | 7.50 |
| Southport | 8.00 |
| Tabor City | 10.00 |
| Bethany | 7.58 |
| Rockfish | 41.25 |
| Mt. Zion | 17.50 |
| Pike | 7.15 |
| Beth Car | 70.79 |
| Cape Fear | 2.50 |
| Faison | 27.75 |
| Burgaw | 30.00 |
| Potts Memorial | 29.00 |
| Graves Memorial | 129.19 |
| Harmony | 19.61 |
| Pleasant View | 4.10 |
| Elizabethtown | 223.60 |
| South River | 7.60 |
| Oak Grove | 19.05 |
| Currie | 3.00 |
| Pink Hill | 17.25 |
| Willard | 38.50 |
| First Whiteville | 38.18 |
| Acme | 14.00 |
| Wallace | 204.35 |
| Caswell | 4.00 |
| McClure Memorial | 8.06 |
| Total | $10,486.00 |

Thirty-two churches have contributed nothing this year. Little if any emphasis is being placed upon the Program in these churches. It is our problem to get these churches busy on their share of the work.

To the churches who are engaged in heavy building programs, let me suggest that the Program of Progress is primarily an Evangelistic effort. Nothing could help you more with your building program than an all out evangelistic effort. If you double your membership, you will cut the per capita cost in half. In addition to this, a three months tithing campaign as outlined by Col. Le Craw would do wonders in increasing the giving per member.

From the standpoint of the Presbytery as a whole, the benevolent giving has held up rather well. The first year of the program the total benevolents was $103,000 and the second year $105,000.

For several years previous the benevolent giving was approximately $87,000. The Presbytery is contributing in its over and above effort about $15,000 a year. If this continues we will receive $75,000 in five years instead of a goal of $122,000.

In regard to Evangelism, during year 1947 and 1948 we received 408 on Profession of Faith and 459 by Letter, out of a membership of 10,000, which is nearly 10%. The goal is 15%. We are moving forward, but we are not moving forward fast enough. Throughout the Presbytery in nearly all of the churches, there is a new spirit of enthusiastic evangelism. There is a definite increase in church and Sunday School attendance. The church loyalty campaign is largely responsible for this. This campaign is simply the machinery by which progress is being carried out, it represents one of the best organized Christian efforts in our church in the past few years. We should lend it every effort and support possible.

Several churches have made outstanding achievements in recent months. One is the campaign put on by St. Andrews-Covenant to raise their entire financial goal in three months. A vigorous campaign was instigated under the leadership of Mr. Wilbur Jones. The congregation was prepared by prayer and preaching and each individual member was personally contacted. The campaign will go over the top, in fact the quota has almost been raised. Last Sunday this church had to put chairs in the aisles in order to accommodate the congregation.

Visitation Evangelism is being used more effectively than ever before. My church at Winter Park has had excellent results through this method.

To the pastors of our Presbytery, I earnestly request that you stress and prepare your congregation in advance for the four seasonal offerings. See that each member is provided with a Program of Progress envelope. We Presbyterians need to hear more about Stewardship from our ministers. If you are to win a man, you must touch those things close to his heart. For many of us laymen, man's chief end is to make and accumulate money. Especially is this true of the Scots. If you want your men to be vitally interested in the church they must have a financial stake in it.

We Presbyterians have inherited a church with the finest traditions and the most appealing theology. We are a people to whom God has given more than our share of talent. We have not invested these talents in the church in order that it might yield its increase. We have been weak in Evangelism and Stewardship. We have hoarded our Christianity, being satisfied to bury it in the ground, feeling that as long as we and our families are saved, the rest of the world could go untouched. In a day of inflation and business uncertainty, bankers tell us that there are no safe investments which will yield a fair return. Time and money invested in the church is the safest and soundest of all investments.

L. A. TAYLOR, Stated Clerk

Upon motion, the call was found to be in order, and the Moderator declared the meeting was ready to proceed with the business indicated.

Rev. C. D. L. Mosser made request that the Presbytery dissolve the pastoral relationship between himself and the Caswell, Harmony, Black River and South River churches in order that he might accept a call issued to him by the Westminster Presbyterian Church of Greensboro, N. C., in Orange Presbytery. Mr. Mosser reviewed the progress of the work of these churches during the past two and a half years. The following representatives from three of the congregations informed the Presbytery that their congregations in duly constituted meetings had reluctantly concurred with Mr. Mosser's request to Presbytery for the dissolution of the pastoral relationship: Henry Beatty, South River; J. C. Corbett, Black River; and M. P.

Jones, Caswell. Mr. Mosser stated that the Harmony congregation had also concurred.

Motion was offered that the dissolution be made, effective March 28, 1949, and that Mr. Mosser be granted a certificate of dismission to the Presbytery of Orange. The Stated Clerk was also instructed to write a letter of commendation of Mr. Mosser and his work to Orange Presbytery. Pending action on the motion, remarks expressing appreciation for the fine fellowship and splendid work of Mr. Mosser were made by Revs. L. A. Taylor, C. C. Myers, and J. D. Withrow. The motion was carried.

The request of the Rev. J. D. MacLeod for a letter of transfer to the Presbytery of East Hanover in order that he might accept a call to the Sweet Hall Presbyterian Church was granted. Mr. MacLeod is taking graduate work at Union Theological Seminary in Richmond.

Mr. Newbold signified his desire to accept the call. The following commission was appointed to install Mr. Newbold as pastor of the Warsaw Church: Rev. L. A. Taylor, Chairman; Dr. William Crowe, Rev. W. H. Allison; Ruling Elder J. B. Huntington. Permission was given Mr. Newbold to invite Rev. Charles Parrish of Kanawah Presbytery, now teaching at the Presbyterian Junior College, to preach the installation sermon, and to invite Ruling Elder W. M. Shaw of Fayetteville Presbytery to have a part in the installation service. The date and parts for the installation are to be left to the pastor and the members of the commission.

The minutes were read and approved.

## STATED MEETING

The Presbytery of Wilmington met in its 166th Stated Session at the Pike Presbyterian Church Tuesday, April 12, 1949, at 10 a. m. The meeting was called to order by the Moderator, Ruling Elder J. B. Stroud of the Faison Church, and a devotional service was conducted by the host pastor, Rev. J. A. Marrow, Jr. A very impressive part of the devotional was the rendition of two choral numbers by the Burgaw High School Girls' Glee Club, under the direction of Mrs. C. F. Mallard, Jr. The retiring Moderator delivered an able challenge to the spiritual leaders of the Church on the subject, "Go Prophesy," based on Amos 7:15.

Following the devotional Presbytery was constituted with prayer by the Moderator. The roll was called and the following ministers and Ruling Elders responded:

The report of the Permanent Committee on Religious Education was adopted as follows:

## RELIGIOUS EDUCATION

Your Committee of Religious Education, in presenting its report. is grateful for what appears to be a greater concern about the Church's program of Religious Education, and a greater desire for leadership on the part of individual congregations, in this all-important field. It is grateful also to ministers and laymen of our Presbytery, both men and women, for the splendid work they have done in so many of our churches during the past year. For we feel that, in spite of the polio epidemic which played such havoc to so many public gatherings and made impossible Sunday School

and some Conferences, the work rather than disintegrating, made specific gains. Facts and figures of our report were made available to you in the October issue of THE WILMINGTON PRESBYTERIAN. A brief summary is presented here for the sake of record and to refresh your memory. Under the leadership of the Rev. Ben F. Brown, the Vacation Bible School, in spite of cancellations in some instances, showed only one less school than the previous year and a greater enrollment by forty-six. The total number was 3,689. Our Young People have had outstanding Rallies, both Fall and Spring, and during last June, under the leadership of the Rev. Murphy Smith, an excellent Conference was held at Peace College. Because of the polio ban, no Pioneer Conference could be held. Because of circumstances beyond our control, Leadership Schools in two of our districts could not be held. One excellent School, under the leadership of Dr. William Crowe, Jr., was held in the Wilmington District. The Men of Wilmington Presbytery, in their clubs and classes, have done many fine things. Their annual Rally at Wallace was inspiring, made so by the outstanding address by Dr. Floyd Knight, and the reports of various districts.

In order that you may know the plans of your Committee for the months ahead, we ask your undivided attention to the following men:

1. Pioneer Camp, Lake Singletary, June 13-18—Rev. W. H. Allison.
2. Synod's Young People's Conference, Flora Macdonald College, June 13-18; and Presbytery's Young People's Conference, Flora Macdonald College, June 20-25—Rev. Murphy Smith.
3. Vacation Bible Schools—Rev. B. F. Brown.
4. Conference for Adult Advisors, Rockfish Church, April 24—Rev. J. M. Smith.

Your Committee presents the following recommendations:

1. That each Church School receive an offering next Sunday for the work of Vacation Bible Schools in our Synod.
2. That each Church hold a Vacation Bible School wherever possible, and that every effort be made by pastors and sessions to have leaders and teachers present at the Vacation Bible School Institute in their respective district.
3. That each Church be urged to begin making plans for Religious Education Season, September 4 - October 1, including special emphasis during Religious Education Week, September 25 - October 1, and that the study book, "Lift Up Your Eyes," by Dr. Lewis Sherrill, based on the Re-study Report, be studied during this period.
4. That each Church observe Rally Day, September 25, offering a program which will touch not only the Church School, but the Church as a whole.
5. That each Church be urged to send carefully selected leaders to the following conferences and schools at Montreat, that the work of Religious Education in our Presbytery may be strengthened:

| | |
|---|---|
| Young Adult Conference | July 7-11 |
| Sunday School Superintendents Conference | July 8-10 |
| Montreat Leadership School | July 12-21 |
| Men-at-Montreat Conference | July 22-24 |

6. That each Church, or group of churches, be urged to send delegates to the Men's Conferences in Atlanta, November 4-6, 1949.
7. That continued emphasis be placed upon the Program of Progress goals for the Sunday School, both with regard to attendance and in the establishment of new chapels.
8. That until a Children's Work Consultant is appointed in our Presbytery those desiring conferences relative to the work of the Children's Work Division, write the Rev. Ben F. Brown to whom Miss Rosanna Barnes has offered her services for the Presbytery.
9. That where equipment is available, our churches take advantage of the very excellent film and slide service offered by our Synod's Committee of Religious Education, thus making more effective the teaching program of our churches.
10. That the Chairman be appointed to attend the Leadership Training School to study Dr. Sherrill's book taught by the author, or if he cannot attend, to appoint an alternate.

Respectfully submitted,

E. D. WITHERSPOON, Chairman.

Upon motion Presbytery requested the Committee on Religious Education to obtain definite information about and samples of Bible Stories presented in comic strip form.

The report of the Permanent Committee on Synod's Home Missions was postponed until the July meeting, due to the absence of Dr. E. E. Gillespie who was to present the report for the Chairman, Rev. J. Murphy Smith.

Rev. L. A. Taylor, Executive Secretary, presented his reports as Treasurer of the Presbytery and as Central Treasurer of Benevolences, which were adopted and referred with a certificate of audit from Mr. J. N. Brand, Jr., to the Auditing Committee. The names of Ruling Elders J. B. Bunn and J. F. Strickland were added to the Auditing Committee.

The following committee was appointed: Rev. E. D. Witherspoon, Chairman; Rev. Wm. Crowe, Jr., Rev. W. B. Hood, Rev. N. P. Farrior.

Rev. B. F. Brown, Chairman, presented the report of the Committee on Woman's Work, which was adopted as follows:

### REPORT OF THE WOMEN OF THE CHURCH TO WILMINGTON PRESBYTERY

The Sixty-first Annual Meeting of the Women of the Church of Wilmington Presbytery is this day in session in beautiful, historic

First Church of Wilmington. It is a matter of keen regret that one of the two days of the Annual Meeting should fall on the stated day of the Spring Meeting of the Presbytery. May we say how deeply we appreciated the presence at our meeting of Rev. Ben F. Brown, Presbytery's Chairman of Woman's Work. It was a most gracious thing to have come to us at such a great sacrifice of time from your own meeting. We appreciate his coming and the message which he will bring.

Presbyterial met last April in the Rockfish Presbyterian Church with 61 local organizations represented. Two new ones added this year bring the total number to 63. Each is well organized, active and interested. A great deal is intimated in that sentence. Nothing could indicate a more healthy, growing church life than for its members to be well organized, active and interested—and by these tokens fruitful.

The excellent attendance at the 6 District Group Conferences in October together with the Business Women's Conference testified to the approval of the inspiring program. In this connection, it is well to note the fine cooperation of the Assembly's Committee on Woman's Work with these and other Women's Groups. During the Woman's Training School in Montreat well-thought out conferences are planned and programs presented for the District Chairmen and Presbyterial Presidents. These have been of great value to our Presbyterial women.

Good attendance on all meetings, and generous giving indicate the relationship between the Presbyterial and the local group.

A special feature of the Group Conference and Presbyterial Annual Meeting is the large and varied assortment of books sent down from the Presbyterian Committee of Publication to be examined and sold during the meetings. This plan met with great enthusiasm and success during the fall Conference with many books being sold.

In addition to its routine benevolences, the Presbyterial continues to keep in vital touch with the Kiangyin, China Mission Station, being committed to $3,000.00 annually. $5,000.00 was sent during the past year to bear cost of rebuilding a hospital unit. The Presbyterial has over $10,000.00 reserve fund on deposit with the Foreign Mission Executive Committee to be used for rebuilding, etc. This fund was carefully and lovingly built up during the war years when no current funds could be sent to China.

The Program of Progress was presented to every Woman's Group and with special emphasis during the fall Conferences—with the certainty growing that in all the uncertainties and problems of this present day, truly "Christ is the Only Answer."

The vital interest of the Presbyterial in Christian Education is evidenced in the special place made for this on the program of the Annual Meeting. A new work scholarship has been started for Assembly's Training School. Within the Presbyterial are set up three College Advisory Committees whose members are on the Advisory Boards of Peace College, Presbyterian Junior College and Flora Macdonald College. There is also a sponsor for Assembly's Training School—a new Standing Committee is being set up on

Inter-group or Inter-racial Work with one of the Synodical's authorities speaking at the Annual Meeting on our Negro Work.

The subject is vast and thrilling and ever-widening and it is a temptation to tell on and on of the wonderful mercies of God in His reviving power among your very own Presbyterian Women. But perhaps we could give you no better over-all picture of the work and interest than is reflected in the printed program of the Sixty-first Annual Meeting, copies of which we are sending with this report.

With a prayer for God's continued guidance and blessing upon the task to which He has appointed us, this report is submitted in His Name and for His eternal glory.

With feelings of humility and tender pride the former Woman's Auxiliary of Wilmington Presbytery emerges with its new name, and we hope, with a new look as we enter upon this new phase of our Church's life and work.

JULIA WORTH SPRUNT, President
Women of the Church,
Wilmington Presbytery.

## STATISTICAL REPORT

The organization of Pike and Woodburn Women of the Church brings the total number of organizations in Wilmington Presbytery to sixty-three (63) with a total membership of 3,638. There are 112 General Circles, and 12 Business Circles with a membership of 446. Total gifts for the year 1948-1949 amount to $37,291; $24,826 for Benevolences and $12,429 for gifts to local churches. This is an increase of approximately one thousand dollars for benevolences and an increase of approximately four thousand to local churches.

Rev. Wm. Crowe, Jr., gave a verbal report on Presbytery's Home Missions, due to the fact that the written report had been left in Wilmington. This report was accepted as information and permission was given to print the written Home Mission report.

## REPORT TO THE HOME MISSIONS COMMITTEE OF WILMINGTON PRESBYTERY

### For Year Ending March 31, 1949.

All Home Mission churches of the Presbytery have been supplied with regular preaching during the year. Nearly every church has had the services of a pastor, but those without pastors have missed very few regular services. This has been made possible by two factors: first, the pastors of the self-supporting churches have given generously of their energies to serve the Home Mission churches, many of them carrying on regular programs in these churches; second, we are fortunate in having a group of capable, consecrated, and willing Elders who supply the pulpits in our pastorless fields. The Home Mission church that has suffered most

from the lack of pastoral leadership is Tabor City. Up to the present we have not been able to provide that church with the leadership it deserves.

Two Home Mission Fields reached self-support during the year: Bethany-McClure Memorial and Chinquapin-Bethel. A third field, Jacksonville, would have reached self-support had it not been for unusually large expenditures for a manse. It promises to reach full self-support during the year.

One additional pastor was added to our forces through the coming of the Reverend Walter Goodman. His coming enabled us to form a pastorate of the Beulaville and Antioch churches and thus reduce to two the number of churches in the Grove-Hallsville field and to one church and two outposts the Jacksonville field.

Mr. J. B. Huntington may well be counted a second addition to our forces. Since his retirement as General Secretary of the Wilmington Y.M.C.A. in September, 1948, he has devoted his time to the Cape Fear Church and is doing an excellent work.

Reverend C. H. Maury, one of the Teachers in Presbyterian Junior College, has given valuable assistance to our work by serving the Elkton and White Plains churches on a part time basis. He expects to devote his full-time to this pastorate during the summer months.

At the present time we have two pastorless Home Mission fields: Webb Memorial-Wildwood, and Pollocksville-Croatan. Mr. Priestly Conyers, a member of the Senior Class in the Union Theological Seminary, Richmond, has been called by the Webb Memorial-Wildwood churches and has indicated his willingness to accept the call, following his graduation from the Seminary in May.

Vacation Bible Schools were held in every Home Mission field, and in nearly every Home Mission church and outpost. The attendance figures for these schools are amazing. Our goal of a Vacation Bible School of at least two weeks duration in every church and outpost would have been reached had it not been for the Polio ban during most of the summer.

Our Presbytery is blessed by the number of consecrated, capable and attractive pastors who serve our Home Mission fields. They are getting good results in Evangelism and Stewardship as the reports to the Presbytery will indicate. During the year our Committee gave assistance in the payment of salaries to seventeen of these men, for a total of $7,276.63. In addition we assisted in the purchase or maintenance of automobiles of ten of these men for a total of $3,078.32. Every pastor received a salary of not less than $2,400.00 and manse. When we add the travel allowances to the salaries, the total income of every pastor except one was not less than $2,700.00 for the year. It is our desire to include that one pastor in the appropriations for next year.

The year has been remarkable for the number and size building repairs and construction. Eighteen churches made repairs or additions to church or manse, or constructed new buildings. Our Committee gave assistance with ten of the repair projects in the total sum of $3,117.89. We also gave assistance for new buildings

to four churches in the total amount of $6,500.00, and for the construction of three new manses in the total amount of $2,250.00.

In addition to the aid given by our Presbytery's Committee, mention should be made of the aid given to our churches by the Synod's Committee. This aid amounts to a total of $4,500.00 and assisted in the construction of four churches and two manses. Further aid was given by the Defense Service Council of the Synod, in the amount of $1,500.00 appropriated for the manse in Jacksonville.

During the year our Committee received from the churches and individuals of the Presbytery the sum of $15,366.67, and from the General Assembly's Committee the sum of $3,912.67, bringing the total receipts to $19,279.34. We paid out during the year the sum of $27,856.65. We began the year with a balance on hand of $13,-566.06. We ended the year with a balance on hand of $4,993.89.

Our only unpaid bill is the long-term indebtedness on the Southport manse which now stands at $3,600.00.

WILLIAM CROWE, JR.,
Committee Chairman

Dr. W. C. Mebane, Chairman of the Program of Progress in the Presbytery, gave a very forceful address on the place of Evangelism in the Church.

Presbytery took recess for dinner until 2 o'clock.

## AFTERNOON SESSION

Presbytery reconvened at 2 p.m. with the singing of a hymn and was led in prayer by the Moderator.

Ruling Elder J. B. Huntington reported that the Auditing Committee had examined the reports of the Treasurer and found them in order, and recommended that Presbytery accept the certification of Mr. J. N. Brand, Jr., that the Treasurer's books are in order. This report was adopted.

Rev. D. A. Bowles introduced Dr. Louis C. LaMotte, President of Presbyterian Junior College, who was given the privilege of the floor to speak in behalf of the College.

Rev. J. W. Miller, Chairman of the Commission on the Minister and His Work, presented the certificate of dismission of the Rev. Millard G. Stimpson from Kanawha Presbytery to Wilmington Presbytery and recommended his reception, pending his examination, that he might accept the calls to the Burgaw and Hopewell churches.

Rev. W. H. Allison, Chairman of Examinations, presented Mr. Stimpson to the Presbytery for examination. He was examined on Experimental Religion by Rev. M. C. MacQueen; on his views concerning Theology by Rev. N. P. Farrior; and on the subjects of Church Government and the Sacraments by Rev. C. B. Craig. The examinations were sustained separately and as a whole, and Presbytery voted enthusiastically to receive Mr. Stimpson pending his signing of the agreement. The Chairman of the Commission on the Minister and His Work declared that the calls to the Burgaw and Hopewell churches had been examined and found in order, and placed them in his hands. Mr. Stimpson signified his desire to accept the calls and Presbytery appointed the following commissions to install him as pastor of these churches:

1. At Burgaw, May 8, 1949, at 11 a. m.:
   Rev. P. L. Clark, Chairman, Rev. James Marrow, Jr., Rev. B. F. Brown, Ruling Elder H. McN. Johnson, Alternate Elder T. T. Murphy.
2. At Hopewell, May 15, 1949, 11 a.m.:
   Rev. P. L. Clark, Chairman; Rev. James Garvin, Rev. J. M. Newbold, Ruling Elder J. B. Stroud, Alternate Elder N. B. Murray.

Rev. J. W. Miller announced that the Commission on the Minister and His Work had approved the call of the

Pearsall Memorial Church for the services of the Rev. B. Frank Hall, D.D., who has been serving this Church as Temporary Supply and placed the call in his hands. After his signifying his desire to accept the call, Presbytery appointed the following commission to install him as pastor of the Pearsall Memorial Church: Rev. L. A. Taylor to convene the commission, to preside, and to propound the constitutional questions; Rev. Wm. Crowe, Jr., to preach the sermon; Rev. E. D. Witherspoon to charge the pastor; Ruling Elder Walter Sprunt to charge the congregation; Alternate Elder John Hall. The time was left to the commission.

Rev. C. C. Myers, Chairman of the Committee on Sessional Records, reported that the sessional records of the churches had been examined and approved with the following exceptions: Morehead City meeting of June 13, 1948, was not opened or closed with prayer. Holly Grove meeting of Nov. 17, 1948, does not show which elders were present, and does not say it was a Session meeting. Mt. Horeb records do not give sufficient dates. The Bowden Church has no sessional records since July 5, 1945. This report was adopted.

The report of the Nominating Committee was adopted as follows: We recommend the following replacements or changes:

1. Trustee of Presbytery—Mr. Joshua S. James to replace Mr. G. D. Humphrey.
2. Trustees of Flora Macdonald College—Rev. R. H. Poole to succeed himself; Mr. E. L. Derrick to succeed Mr. H. McN. Johnson; Mrs. George H. Currie to succeed Mrs. E. H. Evans.
3. Trustee of Peace College—Dr. Wm. Crowe, Jr., to succeed himself.
4. Permanent Committees:
   (a) Foreign missions—Rev. H. R. Newland to succeed Rev. J. G. Morrison.
   (b) Christian Education and Ministerial Relief—Rev. W. H. Allison to succeed himself.
   (c) Divorce and Remarriage—Rev. B. F. Hall, General Chairman. The following to be added to present committee: Area No. 1—Rev. D. A. Bowles; Area No. 2—Rev. B. F. Hall; Area No. 3—Rev. Walter Goodman; Area No. 4—Rev. F. M. Bain.

(g) Nominations—Rev. B. F. Brown, Chairman; Rev. H. R. Newland, Rev. R. H. Poole, Ruling Elder J. B. Huntington.

A communication was received requesting that this committee appoint more laymen on all committees. The committee is sympathetic to this request, but points out the difficulty due to the fact that the commmittee does not know many of the Elders. Ministers are requested to notify the Chairman of the Nominating Committee of elders who seem especially fitted for work on particular committees.

B. F. ORMAND, Chairman
